I understand that in order to obtain a Virginia driver's license, students under 19 years of age must complete thirty-six (36) classroom hours and fourteen (14) fifty (50) minute behind the wheel periods of driver's education along with forty-five (45) logged hours with a mentor, fifteen (15) of which must be after sunset. A commercial driving school is not required for students over 19 years of age in order to secure a driver's license. If you are 19 years or older, you must hold a learner's permit for at least 60 days or show proof of completion of a state-approved driver education program. I grant permission to enroll my child in the behind the wheel section of instruction which includes seven (7) driving and seven (7) observation periods. The following date is when BEHIND THE WHEEL OR CLASSROOM instruction is scheduled to begin.

Start Date: _____ Time: _____

****Make checks payable to Augusta Driving School***

I understand that the fee for **BEHIND THE WHEEL** is **\$295.00** payable by cash-check-or **MAJOR CREDIT CARD**. This amount is due **in full prior to beginning** of the first lesson, unless other arrangements have been made. I understand that the balance must be paid in full, and any checks written **MUST CLEAR before an Augusta Driving School Virginia Driver Training Certificate (DTS-B) form will be issued**. There are no refunds to be given after training has begun; however, should Augusta Defensive Driving School be unwilling to begin instruction within 30 days from the first scheduled date, a refund can be given if requested. In the event the school cancels a scheduled day of behind the wheel, the instructor will notify the student to arrange an alternate date. I understand that in order to pass behind the wheel instruction in the scheduled time, there must be **no more than ten (10)** failure checks on the final road skills test score sheet checklist. There may also be **NO checks** in the immediate failure portion of final road skills test score sheet section. Additional skill assessments may be added at the teacher's discretion. I realize that if my child has an unexcused absence, or if any re-testing or additional training is needed due to student failing the road test or student isn't making sufficient progress by the last lesson, ex: driving instructor has to intervene in driving to prevent accident), **there will be an additional fee of \$50.00 per training session**. The driving instruction provided does not guarantee that a student will pass the state license examination, that the student can secure a license, or that the student will be guaranteed employment upon completion of this course. The Department of Motor Vehicles is committed to promoting transportation safety through the certification of quality driver training programs. If you have comments or concerns about this course, call our **toll free number:1-877-885-5790**

The school also offers Classroom Driver's Education Instruction. The fee for the CLASSROOM INSTRUCTION alone is \$200.00. However, should your student elect to take CLASSROOM INSTRUCTION AND BEHIND THE WHEEL, the fee for BOTH PROGRAMS is \$425.00. Augusta Defensive Driving School **does not** provide or offer the use of the school's vehicle in taking any driving tests to obtain a driver's license from the Department of Motor Vehicles. I understand that it is unlawful to make false statements on a licensing application and such violations are punishable by law as a Class 2 misdemeanor.
