A commercial driving school is not required for students 18 years of age in order to secure a driver's license. If you are 18 years or older, you must hold a learner's permit for at least 60 days or show proof of completion of a state-approved driver education program. I grant permission to enroll my child in the classroom or behind the wheel (or both as selected above) section of instruction which includes seven (7) driving and seven observation periods. **PAYMENT FOR CLASSROOM INSTRUCTION DOES NOT INCLUDE BEHIND THE WHEEL.**

There are no refunds for scheduled services, therefore; please realize there may be a waitlist prior to beginning training. In the event the school cancels a scheduled day of behind the wheel, the instructor will notify the student to arrange an alternate date. I understand that in order to pass behind the wheel instruction in the scheduled time, there must be **no more than ten (10) failure checks on the final road skills test score sheet checklist.** There may also be **NO checks** in the immediate failure portion of final road skills test score sheet section. Additional skill assessments may be added at the teacher's discretion. **I realize that if my child has an unexcused absence, or if any re-testing or additional training is needed due to student failing the road test or student isn't making sufficient progress by the last lesson, ex: driving instructor has to intervene in driving to prevent accident), there will be an additional fee of \$50.00 per training session.** The driving instruction provided does not guarantee that a student will pass the state license examination, that the student can secure a license, or that the student will be guaranteed employment upon completion of this course. By signing this form, you acknowledge **you possess a legal Virginia learner's permit.** Should your permit become invalid during the training, you must notify the school immediately and you will not receive a refund.
